●Contact...Environmental Division (☎27-3961)

### New Disposal Rules from April

#### Burnable/Non-burnable Garbage

Place waste into designated garbage bags and leave at your assigned garbage station. For larger items that will not fit into a bag, please purchase and attach a Garbage Sticker before leaving it in your garbage station.

### Diapers

Place in a clear or translucent bag, write “diapers” (おむつ) clearly on it, and deliver it to your garbage station on burnables collection day.

### Volunteer Trash Pick-up Waste

Collect designated bags from the Environment Division, and leave the trash in your garbage station.

### **The Garbage Facility is Very Busy**

If you are bringing trash directly to the garbage disposal facility, please allow yourself plenty of time. Please note that a preliminary inspection of the garbage is required at the Environmental Division (Oite Second Office).

### **Distribution of Designated Garbage Bags Trial Set**

Before the new system begins, the city is distributing a trial set of the new garbage bags. Please check the shape and material of the bags. This is the only distribution of bags; please purchase the bags you need at a retailer before the start of April.
